Subject: NCIMM EPANET roster of attendees (students, instructors, NCIMM associates)/Proj Team Kick-Off Mtg Sept 19, Wed, 3-4 pm/other items
Attachments: Final_Copy of Attendance List for EPA.pdf

Hi Regan. Attached is the NCIMM EPANET roster of attendees. You may want to let EPA security know that the NCIMM associates and instructors will also be at EPA on Wednesday, Sept. 19 for our kick-off meeting.

We think Mr. Mubarak Abu Yakubu is traveling. We hope that he will be able to complete the checklist when he arrives at EPA if he is unable to provide it to us at an earlier time.

Thanks,
Linda

Hi Regan, Just wanted to let you know the Wednesday NCIMM team kick-off meeting is from 3 - 4 pm and is located in EPA room 130 (the room should be reserved). Topics to be covered include logistics, the workshop (includes setting a time for the software demo by Mike T. on Thursday), and hopefully a visit to the training room for the workshop. It will also allow all of us the opportunity to meet one another.

I will get back to you later with a roster of attendees (students, instructors, NCIMM associates) and hopefully a completed foreign visitor's spreadsheet. I copied you on the most recent request for the spreadsheet - perhaps the first request occurred while he was traveling. Hopefully it will arrive soon. Please let me know if you have any questions.

Thanks Regan,
Linda
